# **INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees of Avalon Foundation, Inc.

## Opinion

We have audited the accompanying financial statements of Avalon Foundation, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Avalon Foundation, Inc. as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Avalon Foundation, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Avalon Foundation, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Avalon Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Avalon Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

# NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Nature of Operations

Avalon Foundation, Inc. (Foundation) was established in 1993 as a non-profit corporation organized under the laws of the State of Maryland. The Foundation's mission is to foster a strong community on the Eastern Shore by creating accessible, uplifting arts, education, and cultural experiences that appeal to the interests of a diverse population and to ensure the long-term viability of the historic Avalon Theatre (Theatre). It accomplishes this by presenting diversified arts and educational programs, working with other organizations that serve the community, serving as a facilitator and resource for community groups, and acting as a home for arts organizations.

The Foundation serves the community through five major programs: Avalon Theatre, Plein Air Easton, Outdoor Community Projects, Children's Programming, and Mid-Shore Community Television (MCTV), a public access television station.

The work of the Foundation is supported by contributions, grants, ticket sales, art sales, and other program revenue. The Theatre has historically offered cultural arts on a year-round basis, showcasing national, regional, and local musical and theatrical performers. The Foundation provides a wide array of Children's programming, which has grown significantly. The Theatre is also a base for educational and other civic forums. Local television programming is offered through the Foundation's MCTV operations. Programming and video production opportunities are available to individuals and institutions through MCTV. The Foundation also produces and promotes outdoor art events, such as the Summer Concert Series, Easton Farmers' Market, Talbot County Multicultural Festival, Plein Air Easton (the nation's largest outdoor painting competition) and its companion podcast. The Foundation receives support for these outdoor art events from the Town of Easton, Talbot County, the State of Maryland, as well as many local businesses and individuals.

# **Basis of Accounting and Presentation**

The Foundation prepares its financial statements on the accrual basis method of accounting.

The financial statements of the Foundation have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Foundation to report information regarding its financial position and activities according to the following net asset classifications:

<u>Net Assets Without Donor Restrictions</u> - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. The net assets may be used at the discretion of the Foundation's management and the Board of Trustees.

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Basis of Accounting and Presentation (Continued)

<u>Net Assets With Donor Restrictions</u> - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

#### Cash

The Foundation's Board of Trustees has established a separate bank account for capital funds. The purpose of the account is to segregate funds raised for capital improvements through donations and ticket admission surcharges.

Cash consisted of the following at June 30, 2024:

Cash - Operating Cash - Capital Fund	\$ 220,621 242,899
Total Cash	\$ 463,520

#### Concentration of Credit Risk

The Foundation maintains a majority of their cash balances and certificates of deposit at one financial institution. Accounts at the financial institution are insured by the Federal Deposit Insurance Corporation, up to \$250,000. The Foundation has not experienced any loss in such accounts, and believes it is not exposed to any significant credit risk on its cash balances. As of June 30, 2024, the uninsured balances totaled \$892,981.

The Foundation maintains its investments at a brokerage firm. A brokerage firm is required to segregate client assets from their own to ensure the client assets are protected in case of the brokerage firm's insolvency. Assets that are not segregated, such as money market accounts, are insured by the Securities Protection Corporation (SIPC) up to \$500,000. As of June 30, 2024, the amount of non-segregated assets uninsured by the SIPC totaled \$739,540.

#### Accounts and Contributions Receivable

The Foundation reports receivables at amounts estimated to be collectible. An allowance is provided for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to trade accounts receivable. For the year ended June 30, 2024, management deemed all receivables to be collectible.

# NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Certificates of Deposit

Certificates of deposit (CDs) are carried at cost plus accrued interest. CDs with remaining maturities of more than one year are accounted for as other assets in the statement of financial position.

## Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. Fair value should be based on the assumptions market participants would use when pricing an asset. US GAAP establishes a fair value hierarchy that prioritizes investments based on those assumptions.

The fair value hierarchy gives the highest priority to quoted prices in active markets (observable inputs) and the lowest priority to an organization's assumptions (unobservable inputs). The Foundation groups assets at fair value in three levels, based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are:

Level 1 - Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.

Level 2 - Other observable inputs, either directly or indirectly, including:

- Quoted prices for similar assets/liabilities in active markets;
- Quoted prices for identical or similar assets in non-active markets;
- Inputs other than quoted prices that are observable for the asset/liability; and,
- Inputs that are derived principally from or corroborated by other observable market data.

Level 3 - Unobservable inputs that cannot be corroborated by observable market data.

#### Property and Equipment

Property and equipment are stated at cost at the date of purchase, less accumulated depreciation. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets, which range from 3 to 40 years. The Foundation's policy is to capitalize property and equipment acquired for greater than \$2,500 and expense normal repairs and maintenance as incurred.

# NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Intangible Assets

Costs incurred in the development of the Foundation's website and its Plein Air Easton website are capitalized. Amortization is computed using the straight-line method over five years.

## Sales Tax Payable

The Foundation presents sales tax charged on sales of merchandise and art on a net basis. Therefore, such taxes are excluded from sales, and are reflected as a liability, which is satisfied when remitted to the governmental authority.

#### Deferred Revenue

Deferred revenue consists of cash received for gift certificates not yet redeemed, art presales for the Plein Air event occurring in the next fiscal year, and ticket sales for performances taking place after the fiscal year end.

#### **Contributions**

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the same reporting period in which the contribution is recognized.

All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

#### In-Kind Contributions

The Foundation receives services from a large number of volunteers who give significant amounts of their time to the Foundation's programs and administrative activities, but which do not meet the criteria for recognition in the financial statement.

#### Program Revenue

In accordance with FASB ASC 606, *Revenue from Contracts with Customers*, the Foundation recognizes revenue upon transfer of promised goods or services to customers in an amount that reflects the consideration to which the Foundation expects to be entitled in exchange for those goods or services.

# NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Income Taxes

The Foundation is exempt from income tax under IRC section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. There was no unrelated business income for the year ending June 30, 2024. The Foundation has processes in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The Foundation has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.

## **Functional Expenses**

The costs of providing program and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis. The expenses that are allocated include the following:

Expense	Method of Allocation
Depreciation	Square Footage Based Percentage
Employee Benefits and Payroll Taxes	Payroll Based Percentage
Insurance	Square Footage Based Percentage
Interest	Square Footage Based Percentage
Rent and Occupancy	Square Footage Based Percentage
Repairs and Maintenance	Square Footage Based Percentage
Salaries	Payroll Based Percentage
Telephone	Payroll Based Percentage
Utilities	Square Footage Based Percentage

# Advertising

The Foundation follows the practice of charging the cost of advertising to expense as incurred. Advertising expenses to promote the Foundation's programs of \$76,633 were incurred for the year ended June 30, 2024.

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

#### NOTE 2 - AVAILABILITY AND LIQUIDITY

The following represents the Foundation's financial assets at June 30, 2024:

Financial Assets at Year End:		
Cash	\$	463,520

Total Property and Equipment, Net	\$ 3,035,770

For the year ended June 30, 2024, depreciation expense totaled \$319,703.

#### NOTE 3 - PROPERTY AND EQUIPMENT, NET (CONTINUED)

On November 30, 2021, as operations resumed to normal, the Stoltz Pavilion outdoor fixed asset was taken out of service and stored for future use. Depreciation has since ceased and will only continue once it is placed back in service. At June 30, 2024, the cost of this fixed asset totaled to \$220,580, and accumulated depreciation on this fixed asset was \$22,354.

#### NOTE 4 - INVESTMENTS, AT FAIR VALUE

The following table presents the Foundation's hierarchy for assets, measured at fair value, as of June 30, 2024:

	Level 1	Level 2		Level 3		<u>Total</u>
Money Market Funds	\$ 1,408,182	\$ -	\$	-	\$	1,408,182

For the year ended June 30, 2024, included in investments was \$7,868, designated by Mid-Shore Community Foundation. Such investments were with donor restrictions.

In accordance with the Gift Agreement signed in January 2020, the Foundation established a separate account to maintain the Stoltz Listening Room (SLR) endowment fund. The amount maintained in this account at June 30, 2024 amounted to \$104,105.

The Foundation has established an investment account for the Sara B. Ryan Fund. Contributions to this account and the investment returns are exclusively restricted for Children's Programming in perpetuity. The amount maintained in this account at June 30, 2024 was \$378,010.

The Foundation established a separate investment account for Board-designated funds. The amount maintained in this investment account at June 30, 2024 was \$317,760.

# NOTE 5 - INTANGIBLE ASSETS, NET

Intangible assets consist of the following at June 30, 2024:

Website Development Costs Less: Accumulated Amortization	\$ 44,000 (3,371)
Intangible Assets, Net	\$ 40,629

Website Development Costs consist of \$18,720 paid for the development of the new Plein Air Easton website, which had not been placed in service as of June 30, 2024. Amortization will begin once the website is placed in service.

# NOTE 5 - INTANGIBLE ASSETS, NET (CONTINUED)

Amortization expense for the year ended June 30, 2024 was \$3,371. Amortization expense for each of the next five years is:

2025	\$	5,056
2026		5,056
2027		5,056
